§ 1

Legal basis of the Resolution and implementation of an Incentive Programme

1. The Extraordinary General Meeting of BNP Paribas Bank Polska Spółka Akcyjna (the "**Bank**"), acting pursuant to § 12 para. 2 item 8 of the Articles of Association of the Bank resolves to implement in the Bank an Incentive Programme for persons having a material impact of the Bank's risk profile [risk takers] (the "**Incentive Programme**"). Under the Incentive Programme the persons shall be entitled to take up new shares in the Bank of M series, issued by the Bank under a conditional share capital increase scheme (Series M Shares"). In order to grant the persons the rights to take up Series M Shares the Bank shall grant them subscription warrants (the "**Warrants**"), which will involve the right to take up Series M Shares.
2. Series M Shares will be, for persons having a material impact on the Bank's risk profile, a component of such persons' variable remuneration within the meaning of the Regulation of the Minister of Finance of 6 March 2017 on the risk management system and internal control system, remuneration policy and detailed manner of calculating internal capital in banks (Journal of laws of 2017, item 637, as amended) (the "**Regulation**").

§ 2

Participants in the Incentive Programme

Participants in the Incentive Programme can include persons entered in the list of persons whose professional activity has a material impact on the Bank's risk profile. Such list is kept by the Bank under § 24 of the Regulation or on the basis of regulations which will supersede the Regulation ("**Participants in the Incentive Programme**"). The number of the Participants in the Incentive Programme will not exceed 149.

§ 3

Such transfer may take place on the date when the Participant in the Incentive Programme is authorised to take up Series M Shares by way of exercising rights attached to the Warrants to be returned to the Bank to enable such transfer.

7. The Bank shall take the necessary measures to dematerialize all the Series M Shares and to introduce them to trade on the regulated market at Giełda Papierów Wartościowych w Warszawie S.A. [Warsaw Stock Exchange] (“**GPW**”).

Resolution No. 5
of the Extraordinary General Meeting of the Company
BNP Paribas Bank Polska S.A.
dated 31 January 2020

on issuance of subscription warrants, conditional increase of share capital by way of issuance of Series M Shares, depriving the existing shareholders of pre-emptive right to subscription warrants and pre-emptive right to Series M Shares, amendment to the Articles of Association and dematerialization of, and applying for admission of, Series M Shares, to trade on the regulated market.

§ 1

Legal basis of the Resolution

Acting pursuant to art. 393 item 5, art. 430 § 1, art. 433 § 2 and 6 and arts. 448-453 of the Commercial Companies Code, the Extraordinary General Meeting of BNP Paribas Bank Polska Spółka Akcyjna (**the "Bank"**), in order to implement in the Bank an Incentive Programme under which persons identified according to the Bank's applicable procedures as persons whose professional activity has a material impact on the Bank's risk profile, shall receive part of the variable non-monetary components of their remuneration in a form of shares in the Bank, resolves to pass this resolution under which the Bank can issue subscription warrants entitling to take up shares in the Bank.

§ 2

Reason for passing the resolution

As the activity of persons whose professional activity has a material impact on the Bank's risk profile, has a material impact on the Bank's value and the shares held by the Bank's shareholders, acting in the interests of the Bank, in order to reward, motivate and strengthen the connection of such persons with the Bank, the Extraordinary General Meeting resolved, on the basis of the resolution passed today, No. 3 regarding implementation of an incentive programme for persons having a material impact on the Bank's risk profile, to implement in the Bank an incentive programme (the **"Incentive Programme"**). As the Incentive Programme assumes that the Bank shall grant to persons whose professional activity has a material impact on the Bank's risk profile, the rights to take up subscription warrants entitling to take up shares in the Bank, implementation of the Incentive programme requires providing, on the Bank's side, possibilities to issue subscription warrants for such persons and shares which will be taken up as part of exercise of rights arising from such warrants. The purpose hereof is to create a legal base for

issuance of the a/m warrants and shares, enabling therefore implementation of the Incentive Programme.

ANNEX

OPINION OF MANAGEMENT BOARD OF BNP PARIBAS BANK POLSKA S.A. THAT JUSTIFIES DEPRIVING SHAREHOLDERS OF PRE-EMPTIVE RIGHT TO TAKE UP SERIES A1, A2, A3, A4, A5 AND A6 SUBSCRIPTION WARRANTS ISSUED BY COMPANY AND DEPRIVING SHAREHOLDERS OF PRE-EMPTIVE RIGHT TO TAKE UP SERIES M SHARES

This opinion of the Management Board of BNP Paribas Bank Polska S.A. justifies depriving shareholders of the pre-emptive right to take up series A1, A2, A3, A4, A5 and A6 subscription warrants (the “Warrants”) and the pre-emptive right to take up series M shares (“Series M Shares”). Additionally, this opinion includes a justification for issuing the Warrants free of charge and for the issue price of Series M Shares.

The opinion has been prepared under art. 432 § 2 and 6 of the Commercial Companies Code.

The agenda of the General Meeting of BNP Paribas Bank Polska SA (the “Bank”) convened for 31 January 2020 provides for the adoption of a Resolution on issuance of subscription warrants, conditional increase of share capital by way of issuance of series M shares, depriving the existing shareholders of

pre-emptive right to subscription warrants and pre-emptive right to Series M Shares, amendment to the Articles of Association and dematerialization of, and applying for admission of, Series M Shares, to trade on the regulated market (the **"Issue Resolution"**). If the Issue Resolution is adopted, the Bank is to issue not more than 576,000 (five hundred and seventy six thousand) Warrants entitling their holders to take up Series M Shares, and the Bank's share capital is to be conditionally increased by not more than PLN 576,000 (five hundred and seventy six thousand zloty) by way of issuing not more than 576,000 (five hundred and seventy six thousand) Series M Shares, being ordinary bearer shares with a nominal value of PLN 1.00 (one zloty) each. The entities entitled to take up the Warrants are to be exclusively persons included in the list of persons whose professional activity has a material impact on the Bank's risk profile, kept by the Bank pursuant to § 24 of the Regulation of the Minister of Development and Finance on the risk management system and internal control system, remuneration policy and detailed manner of calculating internal capital in banks of 6 March 2017 (Journal of Laws 2017, item 637) (the **"Regulation"**) or pursuant to the regulations which will replace the Regulation. The number of persons entitled to take up the Warrants will not exceed 149. The Warrants are to be issued free of charge and each Warrant is to entitle its holder to take up 1 (one) Series M Share at an issue price of PLN 1.00 (one zloty) per Series M Share.

Depriving shareholders of the pre-emptive right to take up the Warrants, issuing the Warrants free of charge and the issue price of Series M Shares are justified by the fact that the Warrants and Series M Shares are to be issued in order to implement in the Bank an incentive programme under which persons whose professional activity has a material impact on the Bank's risk profile are to receive a part of variable remuneration in the form of shares in the Bank (the **"Incentive Programme"**). These people are to be granted the Warrants entitling them to take up Series M Shares in order to be granted the right to receive the said remuneration in the form of shares in the Bank. This justifies the need to deprive the existing shareholders of the pre-emptive right to take up the Warrants and the need to establish that the Warrants will be issued free of charge. Also, setting the issue price of Series M Shares at a level corresponding to the nominal value of Series M Shares, i.e. materially lower than the market price of shares in the Bank, is dictated by the fact that granting Series M Shares to the said persons will constitute a form of providing them with remuneration for their duties performed for the Bank, and should therefore be connected with these persons obtaining a financial benefit.

Depriving the shareholders of the pre-emptive right to take up Series M Shares is related to the fact that exclusively holders of the Warrants are to be the entities entitled to take up Series M Shares. Such arrangement is therefore a necessary condition for implementing the Incentive Programme in the Bank, as it is necessary to give holders of the Warrants the legal possibility of exercising the right to take up Series M Shares which is embodied in the Warrants.

In the opinion of the Management Board, the implementation of the Incentive Programme in the Bank and the related arrangements in the Issue Resolution, described above, concerning the terms and conditions of the issue of the Warrants and Series M Shares are in the interest of the Bank and are not contrary to the interests of the Bank's shareholders. This results from the fact that the actions of persons whose professional activity has a material impact on the Bank's risk profile are of material importance to the Bank and its value. The taking up of the Warrants, and subsequently Series M Shares, by these persons will have an incentive effect on them and is intended to result in their long-term commitment to the Bank. Making such arrangements is additionally justified by the fact that in accordance with the

Regulation, the Bank is obliged to transfer to the said persons a part of their variable remuneration in the form of financial instruments.

For these reasons, in the opinion of the Bank's Management Board, depriving the shareholders of the pre-emptive right to take up the Warrants and Series M Shares is justified under art. 432 § 2 and 6 of the Commercial Companies Code.

In an open vote on the resolution, 144.534.054 valid votes were cast from 144.534.054 shares representing 98,04% of share capital, of which 143.164.339 votes "for", 0 votes "against" and 1.369.715 votes "abstained"
