Introduction of an adjustment to the Report of the Paribas Bank Polska SA Capital Group for the first half of 2020 not affecting the published results

current report no. 28/2020

date: 13 August 2020

The Management Board of BNP Paribas Bank Polska S.A. ("the Bank") hereby informs that due to typographical error in the Interim consolidated report for the period of 6 months ended 30 June 2020 ("Financial statement") forming part of the Interim condensed consolidated semi-annual report for the period of 6 months ended 30 June 2020 it makes an adjustment by updating numbers in the table: "Interim condensed separate statement on cash flows" on the page 75 (page 72 in English version) and "Selected separate financial data" on the page 5 of the Financial statement.

Detailed scope of correction is presented in the attachment to this report.

Adjustment of the above typographical error does not affect the financial results for the first half of 2020 announced by the Bank nor the content of the independent auditor's report on the review of the financial statements.

Other settlements of the Financial statement are not subject to change, and the revised Interim condensed consolidated semi-annual report for the period of 6 months ended 30 June 2020 will be published tomorrow.
