

NEW LOGIN PAGE

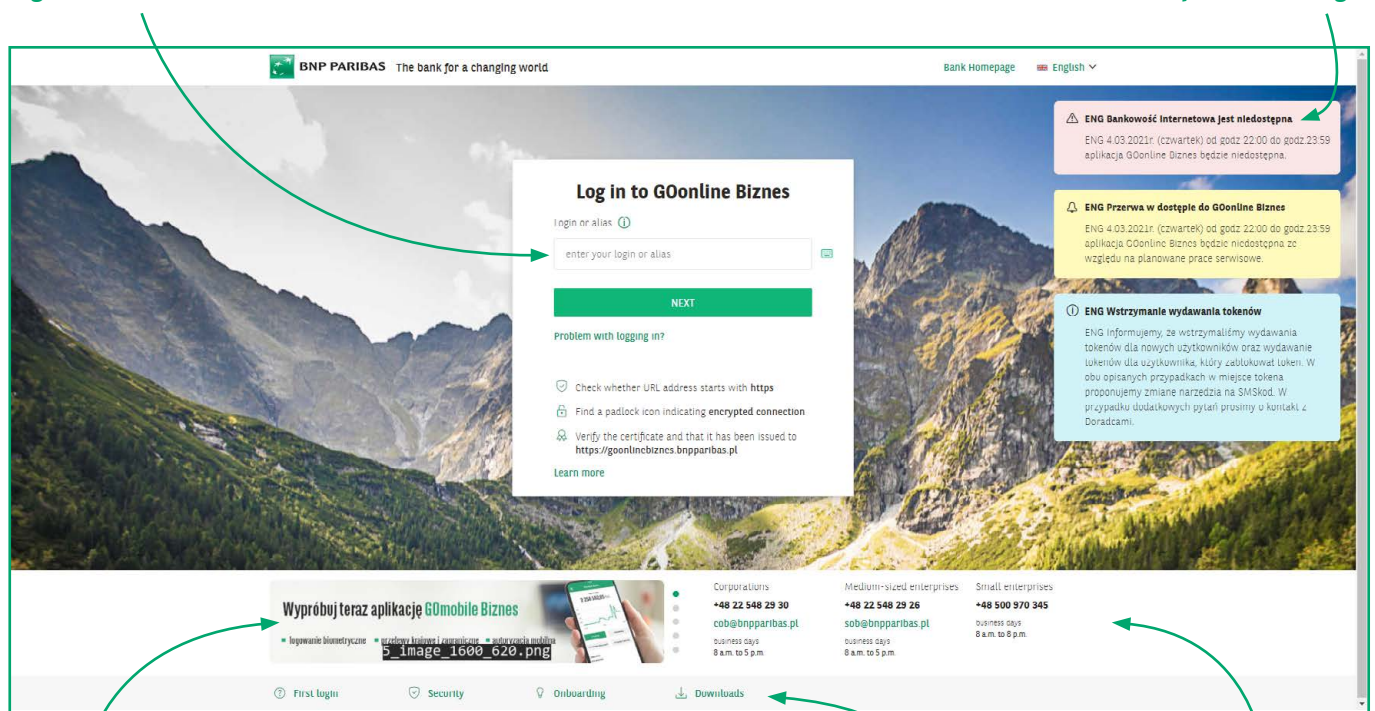

GOnline Biznes

Starting 11 September 2021, logging on to the GOnline Biznes internet banking system will only be possible via the bank's website: www.bnpparibas.pl or at <https://goonlinebiznes.bnpparibas.pl>. The existing identifier/login and the login and authorization methods remain unchanged.

On the new login page we have focused on intuitive navigation, clear message and maximum convenience. The new website is not only about modern graphic design, but above all it has an improved structure thanks to which access to the required information is faster and complete.
