Subject Assessment of internal regulations regarding the functioning of the Supervisory Board of BNP Paribas Bank Polska S.A. from the perspective of Recommendation Z

Date 4 March 2024

Ladies and Gentlemen,

1. **BACKGROUND**

- 1.1 We have been engaged by BNP Paribas Bank Polska S.A. (the “**Bank**”) to analyse the Bank’s internal regulations governing the activities of its Supervisory Board in order to assess them from the perspective of the requirements of *Recommendation Z* relating to internal governance principles in banks, issued by the Polish Financial Supervision Authority in October 2020 (“**Recommendation Z**”).
- 1.2 Pursuant to recommendation 8.9 of Recommendation Z, the adequacy of the internal regulations governing the activities of a supervisory board and its effectiveness should be subject to regular self-assessment by the supervisory board and to assessment by the general meeting, which may be carried out with the assistance of external advisors.
- 1.3 To comply with this obligation, the Supervisory Board performed a self-assessment of the adequacy of the internal regulations governing its activities and effectiveness through resolution 10/2024 dated 29 February 2024.
- 1.4 This document has been issued by Gide Tokarczuk Grześkowiak Sadownik sp. k., acting as external advisor to the Bank to assist the Bank’s General Meeting of Shareholders in making the assessment referred to in section 1.2 above.

2. BASIS FOR OUR ASSESSMENT

2.1 Our assessment refers to the following documents (jointly the “**Regulations**”):

- (i) Articles of Association of BNP Paribas Bank Polska S.A.,
- (ii) Regulations of the Supervisory Board of BNP Paribas Bank Polska S.A.,
- (iii) Regulations of the Audit Committee of BNP Paribas Bank Polska S.A.,
- (iv) Regulations of the Risk Committee of BNP Paribas Bank Polska S.A.,
- (v) Regulations of the Remuneration Committee of BNP Paribas Bank Polska S.A.,
- (vi) Regulations of the Nomination Committee of BNP Paribas Bank Polska S.A.,
- (vii) Code of Conduct of the BNP Paribas Group,
- (viii) Policy on the Assessment of Suitability of Members of the Supervisory Board of BNP Paribas Bank Polska S.A.,
- (ix) Policy on the Appointment and Dismissal of Members of the Supervisory Board of BNP Paribas Bank Polska S.A.,
- (x) Remuneration Policy for members of the Supervisory Board of BNP Paribas Bank Polska S.A.,
- (xi) Regulations on Granting Credit Products to Members of the Bodies of BNP Paribas Bank Polska S.A., Managerial Position Holders at BNP Paribas Bank Polska S.A. and their Affiliates in Terms of Capital or Organisation,
- (xii) Strategy of the Bank and Capital Group of BNP Paribas Bank Polska S.A.,
- (xiii) Organisational Regulations of BNP Paribas Bank Polska S.A.,
- (xiv) Rules of Procedure for Organisational Changes at BNP Paribas Bank Polska S.A.,
- (xv) Policy on the Management of conflict of Interest at BNP Paribas Bank Polska S.A.,
- (xvi) Anti-Corruption Policy at BNP Paribas Bank Polska S.A.,
- (xvii) Risk Strategy at BNP Paribas Bank Polska S.A.,
- (xviii) Policy on Internal Controls in BNP Paribas Bank Polska S.A.,
- (xix) Information Policy of BNP Paribas Bank Polska S.A. regarding the capital adequacy (Part 8 of CRR2),
- (xx) Individual Reporting Standard of BNP Paribas Bank Polska S.A. (Principles of performing information obligations resulted from the listing of the Bank’s shares on the Warsaw Stock Exchange),

(xxi) Internal Audit Charter of BNP Paribas Bank Polska S.A., and

(xxii) Audit Strategy.

2.2 For the purposes of our assessment, we have analysed the Regulations in terms of their compliance with specific provisions of Recommendation Z. Recommendation Z assumes a proportionality approach. This means that its provisions should be applied by the Bank taking into account the scale, complexity and nature of its business, and therefore the application of the internal governance standards under Recommendation Z may, in some cases, be unfounded. In particular, we have taken into account that the Bank is a company listed on the regulated market operated by the Warsaw Stock Exchange, and that the controlling shareholder with decisive influence over the Bank due to its shareholding of more than 87% is BNP Paribas Société Anonyme with its registered office in Paris ("**BNP PARIBAS**"). BNP PARIBAS, as a credit institution incorporated and existing under French law, is subject to similar supervision requirements as the Bank, established at the European Union level by the European Banking Authority for both BNP PARIBAS itself and the BNP PARIBAS group.

2.3 We have requested clarifications and additional information from the Bank that we considered as needed in light of the analysis referred to in section 2.2 above, while providing the Bank with the findings of our analysis. We believe that the answers provided by the Bank in response to our questions are sufficient and appropriate to provide a basis for our assessment.

3. **OUR ASSESSMENT AND RECOMMENDATION**

3.1 Based on the procedures specified above and subject to the limitations listed in Schedule 1, in our assessment:

- (i) from the perspective of the requirements of Recommendation Z concerning the activities of the Supervisory Board, the Regulations are adequate and ensure that the Supervisory Board is able to operate effectively; and
- (ii) the Supervisory Board has conducted the self-assessment referred to in section 1.3 above in compliance with the requirements of Recommendation Z.

3.2 In view of the above, we recommend that the General Meeting of Shareholders of the Bank make a positive assessment of the adequacy of the Regulations regarding the functioning of the Supervisory Board and the effectiveness of the Supervisory Board.
