Request of the Polish Financial Supervision Authority for opinion of the Financial Stability Committee on determining the buffer of other systemically-important institution

current report no. 41/2024

date: 17 September 2024

The Management Board of BNP Paribas Bank Polska S.A. ("Bank") hereby informs that the Bank received for information a request from the Polish Financial Supervision Authority ("PFSA", "KNF") for opinion of the Financial Stability Committee ("FSC", "KSF") on determining the buffer of other systemically-important institution ("O-SII") for the Bank, calculated in accordance with Article 92, para. 3 of the Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and amending Regulation (EU) No 648/2012 (the EU Official Journal L 176 of 27 June 2013, as amended), whose adequate level resulting from the principles of the methodology adopted by the PFSA should be determined at the level equivalent to 0.5% of the total risk exposure amount.

The KNF will issue a decision after receiving the FSC opinion. The Bank will communicate the PFSA decision on the level of the O-SII buffer in a separate current report.

The current O-SII buffer is set for the Bank at the level equivalent to 0.25% of the total risk exposure amount.
