## current report no. 50/2024

date: 17 December 2024

The Management Board of BNP Paribas Bank Polska S.A. ("Bank") hereby informs that on 17 December 2024, it received a letter from the Polish Financial Supervision Authority ("PFSA") in which the Bank's sensitivity to the possible materialization of stress scenarios affecting the level of own funds and the level of risk exposure was assessed as low.

Taking the above into account, the PFSA did not impose an additional capital add-on (P2G) for absorption of potential losses resulting from the occurrence of stress conditions.
